1.7	BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:
1.8	Section 1. Minnesota Statutes 2008, section 82.22, is amended by adding a subdivision
1.9	to read:
1.10	Subd. 8a. Methamphetamine health hazards. Licensees shall provide any
1.11	prospective purchaser with written informational materials that adequately outline the
1.12	health hazards resulting from exposure to methamphetamine and list warning signs that
1.13	often exist on property on which a clandestine lab site as defined in section 152.0275,
1.14	subdivision 1, paragraph (a), clause (1), had been established.
1.15	Sec. 2. Minnesota Statutes 2008, section 82.32, is amended to read:
1.16	82.32 LICENSING: CONTINUING EDUCATION AND INSTRUCTION.
1.17	(a) All real estate salespersons and all real estate brokers shall be required to
1.18	successfully complete 30 hours of real estate continuing education, either as a student or
1.19	a lecturer, in courses of study approved by the commissioner, during the initial license
1.20	period and during each succeeding 24-month license period. At least 15 of the 30 credit
1.21	hours must be completed during the first 12 months of the 24-month licensing period.
1.22	Licensees may not claim credit for continuing education not actually completed as of the
1.23	date their report of continuing education compliance is filed.

- (b) The commissioner may adopt rules defining the standards for course and instructor approval, and may adopt rules for the proper administration of prelicense instruction as required under section 82.29, subdivision 8, and continuing education as required under this section and sections 82.29; 82.31, subdivisions 5 and 6; 82.33, subdivisions 1 and 4 to 6; and 82.44. The commissioner may not approve a course which can be completed by the student at home or outside the classroom without the supervision of an instructor except accredited courses using new delivery technology, including interactive technology, and the Internet. The commissioner may approve courses of study in the real estate field offered in educational institutions of higher learning in this state or courses of study in the real estate field developed by and offered under the auspices of the National Association of Realtors, its affiliates, or private real estate schools. Courses in motivation, salesmanship, psychology, or time management shall not be approved by the commissioner for continuing education credit. The commissioner may approve courses in any other subjects, including, but not limited to, communication, marketing, negotiation, and technology for continuing education credit.
- (c) Any program approved by Minnesota continuing legal education shall be approved by the commissioner of commerce for continuing education for real estate brokers and salespeople if the program or any part thereof relates to real estate.
- (d) As part of the continuing education requirements of this section and sections 82.29; 82.31, subdivisions 5 and 6; 82.33, subdivisions 1 and 4 to 6; and 82.44, the commissioner shall require that all real estate brokers and salespersons receive:
- (1) at least one hour of training during each license period in courses in laws or regulations on agency representation and disclosure; and
- (2) at least one hour of training during each license period in courses in state and federal fair housing laws, regulations, and rules, other antidiscrimination laws, or courses designed to help licensees to meet the housing needs of immigrant and other underserved populations—; and
- (3) at least one hour of training during each license period in courses in the health hazards resulting from exposure to methamphetamine and how to recognize indications of methamphetamine production on property.
- Clauses (1) and (2) do not apply to real estate salespersons and real estate brokers engaged solely in the commercial real estate business who file with the commissioner a verification of this status along with the continuing education report required under paragraph (a).
- (e) The commissioner is authorized to establish a procedure for renewal of course accreditation.

(f) Approved continuing education courses may be sponsored or offered by a broker
of a real estate company and may be held on the premises of a company licensed under
this chapter. All continuing education course offerings must be open to any interested
individuals. Access may be restricted by the sponsor based on class size only. Courses
must not be approved if attendance is restricted to any particular group of people. A broker
must comply with all continuing education rules prescribed by the commissioner. The
commissioner shall not approve any prelicense instruction courses offered by, sponsored
by, or affiliated with any person or company licensed to engage in the real estate business.

- (g) Credit may not be earned if the licensee has previously obtained credit for the same course as either a student or instructor during the same licensing period.
- (h) The real estate education course completion certificate must be in the form set forth by the commissioner.
- Students are responsible for maintaining copies of course completion certificates.
- Sec. 3. Minnesota Statutes 2008, section 82.41, is amended by adding a subdivision to read:
- Subd. 5a. Methamphetamine testing provision. No purchase agreement, earnest money contract, or similar contract for the purchase of residential real property is valid and enforceable unless it includes a box to be checked by the buyer to request or decline a methamphetamine test of the property, to be done at the buyer's expense, by a certified testing facility. If the test results are positive, the seller must reimburse the buyer for the testing expense, and the buyer has the right to cancel the contract pursuant to section 559.217.
 - Sec. 4. Minnesota Statutes 2008, section 152.0275, subdivision 2, is amended to read:
- Subd. 2. **Property-related prohibitions; notice; Web site.** (a) As used in this subdivision:
 - (1) "clandestine lab site" has the meaning given in subdivision 1, paragraph (a);
- (2) "property" means publicly or privately owned real property including buildings and other structures, motor vehicles as defined in section 609.487, subdivision 2a, public waters, and public rights-of-way;
 - (3) "remediation" has the meaning given in subdivision 1, paragraph (a); and
 - (4) "removal" has the meaning given in subdivision 1, paragraph (a).
 - (b) A peace officer who arrests a person at a clandestine lab site shall notify the appropriate county or local health department, state duty officer, and child protection services of the arrest and the location of the site.

- (c) A county or local health department or sheriff shall order that any property or portion of a property that has been found to be a clandestine lab site and contaminated by substances, chemicals, or items of any kind used in the manufacture of methamphetamine or any part of the manufacturing process, or the by-products or degradates of manufacturing methamphetamine be prohibited from being occupied or used until it has been assessed and remediated as provided in the Department of Health's clandestine drug labs general cleanup guidelines. The remediation shall be accomplished by a contractor who will make the verification required under paragraph (e).
- (d) Unless clearly inapplicable, the procedures specified in chapter 145A and any related rules adopted under that chapter addressing the enforcement of public health laws, the removal and abatement of public health nuisances, and the remedies available to property owners or occupants apply to this subdivision.
- (e) Upon the proper removal and remediation of any property used as a clandestine lab site, the contractor shall verify to the property owner and the applicable authority that issued the order under paragraph (c) that the work was completed according to the Department of Health's clandestine drug labs general cleanup guidelines and best practices. The contractor shall provide the verification to the property owner and the applicable authority within five days from the completion of the remediation. Following this, the applicable authority shall vacate its order.
- (f) If a contractor issues a verification and the property was not remediated according to the Department of Health's clandestine drug labs general cleanup guidelines, the contractor is liable to the property owner for the additional costs relating to the proper remediation of the property according to the guidelines and for reasonable attorney fees for collection of costs by the property owner. An action under this paragraph must be commenced within six years from the date on which the verification was issued by the contractor.
- (g) If the applicable authority determines under paragraph (c) that a motor vehicle has been contaminated by substances, chemicals, or items of any kind used in the manufacture of methamphetamine or any part of the manufacturing process, or the by-products or degradates of manufacturing methamphetamine and if the authority is able to obtain the certificate of title for the motor vehicle, the authority shall notify the registrar of motor vehicles of this fact and in addition, forward the certificate of title to the registrar. The authority shall also notify the registrar when it vacates its order under paragraph (e).
- (h) The applicable authority issuing an order under paragraph (c) shall record with the county recorder or registrar of titles of the county where the clandestine lab is located an affidavit containing the name of the owner, a legal description of the property where the

clandestine lab was located, and a map drawn from available information showing the boundary of the property and the location of the contaminated area on the property that is prohibited from being occupied or used that discloses to any potential transferee:

- (1) that the property, or portion of the property, was the site of a clandestine lab;
- (2) the location, condition, and circumstances of the clandestine lab, to the full extent known or reasonably ascertainable; and
- (3) that the use of the property or some portion of it may be restricted as provided by paragraph (c).
- If an inaccurate drawing or description is filed, the authority, on request of the owner or another interested person, shall file a supplemental affidavit with a corrected drawing or description.
- If the authority vacates its order under paragraph (e), the authority shall record an affidavit that contains the recording information of the above affidavit and states that the order is vacated. Upon filing the affidavit vacating the order, the affidavit and the affidavit filed under this paragraph, together with the information set forth in the affidavits, cease to constitute either actual or constructive notice.
- (i) If proper removal and remediation has occurred on the property, an interested party may record an affidavit indicating that this has occurred. Upon filing the affidavit described in this paragraph, the affidavit and the affidavit filed under paragraph (h), together with the information set forth in the affidavits, cease to constitute either actual or constructive notice. Failure to record an affidavit under this section does not affect or prevent any transfer of ownership of the property.
- (j) The county recorder or registrar of titles must record all affidavits presented under paragraph (h) or (i) in a manner that ensures their disclosure in the ordinary course of a title search of the subject property.
- (k) The commissioner of health shall post on the Internet contact information for each local community health services administrator.
- (l) Each local community health services administrator shall maintain information related to property within the administrator's jurisdiction that is currently or was previously subject to an order issued under paragraph (c). The information maintained must include the name of the owner, the location of the property, the extent of the contamination, the status of the removal and remediation work on the property, and whether the order has been vacated. The administrator shall make this information available to the public either upon request or by other means.
- (m) Before signing an agreement to sell or transfer real property, the seller or transferor must disclose in writing to the buyer or transferee if, to the seller's or

transferor's knowledge, methamphetamine production has occurred on the property. If
methamphetamine production has occurred on the property, the disclosure shall include a
statement to the buyer or transferee informing the buyer or transferee:

- (1) whether an order has been issued on the property as described in paragraph (c);
- (2) whether any orders issued against the property under paragraph (c) have been vacated under paragraph (j); or
- (3) if there was no order issued against the property and the seller or transferor is aware that methamphetamine production has occurred on the property, the status of removal and remediation on the property.
- (n) Unless the buyer or transferee and seller or transferor agree to the contrary in writing before the closing of the sale, A seller or transferor who fails to disclose, to the best of their knowledge, at the time of sale any of the facts required, and who knew or had reason to know of methamphetamine production on the property, is liable to the buyer or transferee for:
- (1) costs relating to remediation of the property according to the Department of Health's clandestine drug labs general cleanup guidelines and best practices and other costs incurred by the buyer as a result of the failure to disclose; and
 - (2) reasonable attorney fees for collection of costs from the seller or transferor.
 - (3) any property value loss attributable to the failure to disclose; and
- (4) damages for bodily injury incurred as a result of exposure to contaminated property that has not been remediated.
- An action under this paragraph must be commenced within six years after the date on which the buyer or transferee closed the purchase or transfer of the real property where the methamphetamine production occurred.
- (o) This section preempts all local ordinances relating to the sale or transfer of real property designated as a clandestine lab site.

Sec. 5. [325E.66] HOME INSPECTORS; REQUIRED TRAINING.

A governmental subdivision that licenses or otherwise regulates home inspectors shall require each inspector to receive at least one hour during each licensing or regulatory period in courses in the health hazards resulting from exposure to methamphetamine and how to recognize indications of methamphetamine production on property being inspected.
